April Flew By, But May Is a Joy

AL Varina Post 233 has community presence in Waterside attending the conference in April, as May peeped in with warm weather and afforded us the opportunity to celebrate our Lady Legionnaires and the Ladie of the ALA for Mother’s Day. We were able to send cards to everyone. **Congrats 233 S.A.L. squadron** for your numbers holding at over 200 percent. The Post can boast of maintaining over 100 percent consistently for the last 4 months in membership. There must be something in the water. Who said you had to be BIG to do great things? We dedicate our **“spotlight to our Seargent At Arms Kai Ellison who is totally blind.**

SAA Kai Ellison shows that blinded veterans can do many things as she invites legionnaires and friends to a gourmet dinner as part of her final requirement for home skills training

In the Spotlight

**AL Varina Post 233 Honors Seargent At Arms Kai Ellison
The First Totally Blind SAA – GO Kai!!!**
